Re: *In re: Terrorist Attacks on September 11, 2001, 03 MDL 1570 (GBD) (SN) -  
Update on Status of Dr. Abdullah Naseef's Medical Condition*

Dear Judge Netburn:

This firm, along with Bernabei & Kabat, PLLC, serves as counsel for Defendant Dr. Abdullah Naseef. We write pursuant to Your Honor's August 16, 2018 Order (ECF No. 4105) and Memo Endorsement (ECF No. 4211) to "update[e] the Court on the status of [Dr. Naseef's] medical conditions and ability to participate in this action." Since our last submission regarding Dr. Naseef's health, there has been some slight improvement in his medical condition but no change in his ability to participate in this litigation. We have been informed by a family member of Dr. Naseef that he is no longer in the intensive care unit but remains in the hospital for extensive treatment. Dr. Naseef is being fed through a feeding tube and can speak only with the assistance of a speaking valve for a limited time each day.

Pursuant to Your Honor's August 16, 2018 Order, we will update the Court again in sixty (60) days or sooner, if developments warrant.

Sincerely,

Waleed Nassar
